MISSION
Provide a safe, family environment for children in need so that they may become responsible adults. Established in 1943, Boysville provides temporary shelter and foster care, long-term residential care, and an independent living program in a safe, secure, nurturing environment to children birth to 17 years old who are unable to remain at home due to family disruption, abuse and/or neglect.

TAX STATUS
Boysville, Inc is a 501 (C) (3) tax-exempt organization eligible to receive tax deductible charitable contributions.

Boysville Today is a quarterly newsletter published by Boysville, Inc.

Design by: Causality | www.thinkcausality.com

We were all quite excited here a couple of weeks ago when Marcos, a young man who has been at Boysville since he was 7 years old, suited up for his new full-time job at Joeris Construction, a local construction company (you can see him on our Facebook page). Marcos had spent most of his life here with his Boysville family, first in residential care and then in our Independent Living program. He left Boysville when he graduated from high school last year to live with his brother for a few months, but found that he missed the structure, guidance, and life he had come to know at Boysville and asked to come back.

We welcomed him back to the Boysville family that he had come to know and rely on when he moved back to our campus. Marcos was always known as a hard worker throughout his Boysville years. He always volunteered to help where he could and volunteered his time one summer to help out in the gym. It was during Camp Independence, an annual week-long program here at Boysville that he spoke with a representative from Joeris Construction and filled out an application. Subsequently, he was interviewed and offered the job.

Thanks to your help and generosity, we are able to support young men and women, without families, until they become successful adults. Functional
Functional families do not stop helping their children the day they graduate from high school or turn 18 and neither do we at Boysville."

families do not stop helping their children the day they graduate from high school or turn 18 and neither do we at Boysville. Boysville is certainly a safety net, and every week we are rescuing children from abuse and neglect, but their long-term development and guidance to successful adulthood is what distinguishes what we do from others.

Now, as we head into the holiday season, I again call on the generosity of the San Antonio community to help fulfill all the Christmas wishes and dreams of our children by continuing to help by donating to our Holiday Appeal. Your generosity this holiday season will help us continue the Boysville tradition of building those warm, happy memories that functional families create for their children.

In closing, a special congratulation is extended to all the men and women of the Boysville Auxiliary on their 60th Anniversary of helping the children of Boysville!

Have a great Boysville Day!

Lt Gen Dave McIlvoy
CEO, Boysville, Inc.

Activities Sponsor
If your group or organization is looking for a way to get involved, this is a great opportunity. Your group can host a group activity for all the children on campus, i.e. campus-wide birthday party, pizza party, movie night, field day, etc. during times like Spring Break, summer, weekends.

Campus Beautification
We have many projects for large and small groups to help with the beautification of our campus. Projects include grounds keeping, painting, repairs and many more.

The Christmas holidays are fast approaching and volunteers are needed.
If you are interested in helping out this season by escorting a child during a shopping trip, helping decorate or wrap gifts, or helping serve and clean up at our Campus Christmas dinner, please contact Sara Flournoy at sfLOURNOY@boysvilletexas.org for a holiday application.

For more information on these opportunities, or to check other opportunities, please visit our website www.boysvilletexas.org and click on the “Volunteer” tab.
A DONATION DRIVE AND A FUN DAY
Special thanks goes to the Bank of America in Universal City for holding a donation drive and coming out to play with the kids. Ryan Mosel, along with Donna Simmons, coordinated a donation drive with their fellow employees at Bank of America. They came by on a Saturday to drop off the items they collected and to interact with the kids. We received several boxes of clothing, daily needs items, i.e. shampoo, diapers, wipes, body wash, etc. which are always much needed items. They also brought snacks and drinks for the kids and played basketball, volleyball and board games with them. A good time was had by all!

LET’S HAVE A CARNIVAL
With the help of David Uminsky, AAHA (Alamo Area Hospitality Assoc) generously chose Boysville to sponsor a day of fun. Nineteen members came out to ensure the kids had a great time. They set up a carnival like atmosphere in the gym with games such as plinko, football toss, basketball toss, ring toss, and played games like three-legged race, musical chairs, and hula hoop contests. They had prizes—candy, toys cars and cowboy hats—for the kids who won. For lunch, they also grilled hot dogs and served them along with chips, watermelon, cookies and drinks. The kids had an awesome time!

FIELD DAY
U40 Rotary Club of San Antonio, once again, sponsored a field day for the kids. We can always count on this group to come out each year to sponsor a day of fun! This year the event was coordinated by Mellick Sykes and The U40 group started out with a lunch of grilled burgers and hotdogs … mmmm! They arranged to have three moon bounces, inflatable bumper balls, a dunking booth, and the highlight of the event, a mechanical bull! The kids had a great time, even a couple of our house parents, our CEO and COO had a turn riding the bull … and falling off!

The summer was filled with fun activities for the kids
CAMPUS WIDE BIRTHDAY PARTIES
Each month, Boysville celebrates the birthdays of all the children having a birthday that month. For many of our residents this is something they never experienced until having arrived at Boysville. We have been fortunate to have sponsors step up and coordinate the campus wide birthday parties. A big thank you goes to the following sponsors for this past quarter—July—VisionWorks; August—"The Roomies"; September—Laura Foulis;

BACK-TO-SCHOOL
School is back in session and thanks to Sirius Computer Solutions, Converse Lions Club, Rose Snow and the Randolph Girl Scouts generous school supply donations, residents went back to school fully prepared. These sponsors collected over $500 worth of school supplies for the shelter, residential, and independent living program residents. Each resident on campus received a backpack full of supplies according to their grade level. These supplies will help cover for the rest of the school year and as Boysville receives new residents; supplies will be handed out accordingly. Residents are off to a strong start for the school year, on campus after school tutoring has been well attended, grades are strong, and peer to peer tutoring has been a success. Debra Reichenbach and Theresa Ramirez are once again the lead tutors from the Judson Independent School District. Volunteer tutors Sherry Gilbert, The Gloor Family, and new comer Margaret Busa have been a key part in helping the children start off strong for the school year.
Each year, a select group of high-performing San Antonio companies “jump-start” the annual United Way campaign as “Pacesetters.” This year, one of United Way’s pacesetter-companies, Valero Energy, chose Boysville to perform their Pacesetter Day of Caring project. With the help of Sylvia Rodriguez, Executive Director, Valero Energy Foundation, and Teri Levy, Corporate Communications, Valero Companies, over 200 volunteers from Valero Energy came out to Boysville on August 4th to help jump-start the campaign. They arrived early that Saturday morning, ready to get started and surprised us with a $30,000 donation from the Valero Energy Foundation. Additional gifts of support included much-needed yard equipment and a new riding mower, presented in true NASCAR-style by CEO, Bill Klesse! It was a hot summer day, but this didn’t stop them. They worked for 6 hours in transforming the campus.
Boysville is very gracious for the donations we receive regularly. We are surrounded by a wonderful community with a big heart that we often receive donations such as toys, clothes and diapers for our children on a daily basis. This past quarter, however, we were tremendously blessed when we received an unforeseen call from CBRE, a worldwide commercial real estate agency, which had a heart to give back to the children of San Antonio and its surrounding areas.

CBRE partnered with Hill Country Daily Bread and hosted an in-office competition to raise donations for children and secured multiple items. We were the lucky beneficiaries who received diapers, toys, wipes and so much more. In addition to the gracious gift we were also presented with a check for the amount of $1,500 and gift cards.

Phil Vaughan of Armstrong, Vaughan & Assoc. reached out to Boysville in early summer to discuss the history and needs of Boysville. They expressed a desire to help us with a donation drive. We were called back in August and asked if we would come back out to receive a monetary donation for Boysville that their associates collected over the past couple of months. The agency indicated to their associates that they would match their donations up to $500. The associates exceeded that challenge and we were presented with a check for $1,205!

Thank you to CBRE and Armstrong, Vaughan & Associates. We are grateful for companies like you who work as a team to make a difference in the lives of our children!
The Boysville Auxiliary was created to assist the Boysville Board of Directors by supporting a benevolent and charitable undertaking that focused upon the physical, spiritual, mental and social needs of the children admitted to Boysville, and every effort was made to help residents reach their full potential.

After Reverend Don Holiman founded Boysville, in 1943, founder Vicki Moffett, along with a small group of women, offered services to help the 33 children living at the new Home with a Heart for Boys on Avenue A, in downtown San Antonio. These women cooked, cleaned, washed clothing and helped in the rearing of the boys. They provided love and compassion for these orphaned boys and came to be known as Boysville’s “second mothers”.

The women’s love and compassion, along with their desire to help the boys, prompted them to formally establish themselves within the community. Therefore, in 1952, the Women’s Auxiliary was chartered as an independent, non-profit corporation.

In an effort to raise funds to help the boys, the Women's Auxiliary opened a Thrift Shop at 3910 San Pedro Avenue, and in 1954, thanks to the generosity of Mr. Fred Shield, the building was loaned to the Auxiliary rent free. To accommodate larger inventory, the shop was moved to their current location at 307 W. Olmos Drive in 1955, at the former Beldon Roofing Company. It was in 1957 that the Auxiliary eventually purchased this building. The Auxiliary Thrift Shop proved to be a great resource; so great that there were four expansions in just five years.

As the Thrift Shop continued to grow and provide support to Boysville, they suffered a setback, when in 1966 lightening struck the building, resulting in the loss of all the merchandise and a charred building. Undeterred, the Women's Auxiliary announced the shop would be up and running in a short time. With the help of the community, the Women's Auxiliary had the Thrift Shop back in business in just a few short weeks. The Thrift Shop continued to grow and in 1969, the Women’s Auxiliary purchased additional property surrounding the store, and in 1985, the existing building was expanded, the parking lot was repaved and the property gained a security fence. In 1999, The Auxiliary Thrift Shop hosted a ground-breaking ceremony to celebrate the 10,000 square foot expansion, which took up half a city block, and a grand opening for the new store was held in early 2000.

While the Thrift Shop was the Auxiliary’s main source of revenue, the ladies also sought several other fundraising
opportunities to highlight the Thrift Shop’s merchandise. One popular event was the annual *Style Show and Luncheon* which was held every spring. This quickly became a popular social event. In the early years, the ladies of the Women’s Auxiliary, along with the help of some of the Boysville boys, modeled clothing and accessories from the shop. After the luncheon, they held a flea market, selling various other items from the shop. This event was always a big success.

As the Auxiliary grew so did the membership; once an all female membership, in 1991, in response to an increased interest, the Auxiliary opened their membership to include males. Today you will find men and women serving in the Auxiliary and making a difference in the San Antonio community with over 60 active members.

For the past 60 years, The Auxiliary has substantially supported Boysville children. The Thrift Shop has proven to be a highly successful source of revenue and significant contributor toward the Auxiliary’s ability to continuously help provide the essential needs for children. Clothing, vehicles, cottage furnishings, and birthday gifts are just a few of the many contributions made yearly. The efforts of the Auxiliary are immeasurable and made possible by the dedicated Auxiliary members and volunteers.

*Happy 60th Anniversary and thank you for all you do for Boysville!*
This year’s 46th Wildest Auction in the West was our most well attended auction to date. With over 700 guests in attendance, it made for a fun filled night. This year’s Auction was held on August 17th at the Westin La Cantera with a highly successful outcome. Our guests were greeted by volunteers from Rackspace who worked tirelessly throughout the evening checking guests in as well as checking them out afterwards. The Boysville Auxiliary was onsite selling t-shirts, as well as fig preserves that were generously made and donated by the Whiteman Family in memory of J. Martin Davis. Years ago the Auxiliary sold homemade canned items ranging from jams, jellies and pickles at the Auction. This effort was coordinated by Mr. Davis and his wife Jackie, both former long time Auxiliary members. It was nice to see an old tradition making a comeback this year.

The evening started off with the Silent Auction in the foyer. Some of the most sought after items of the evening were several vintage Luchesse boots, a lamb throw pillow, wine tasting tours as well as Spurs and Rampage packages. Once the doors were opened to the Grand Ballroom guests were able to sample various country fixins’ including brisket, cornbread and chili. The dessert tables offered an assortment of treats for our guests with the pecan pie being the star amongst all the desserts.

For this Auction we implemented the new Bidpal system for the Silent Auction and Days of Care. The Bidpal system gave each guest their own handheld devices where they could digitally place their bids on silent auction items and the device would notify the bidder when they were outbid. The true excitement of using the Bidpal device came during Days of Care. Guests were able to donate to Days of Care using Bidpal and would instantly see their name flash on our giant screens. As we reached our $100,000 goal there was a frenzy of who would be the final bidder to put us over the $100,000 mark. Needless to say an assortment of guests took credit for being the final bidders to push us over the $100,000 goal.
Emcee, Kens 5, Bill Taylor and Auctioneer, Dan Kruse, helped to keep momentum going for our Live Auction. The Live Auction had items such as a handmade Rocking Chair as well as turkey hunts and a real live longhorn steer and Labrador puppy!

Overall the evening was a great success for Boysville. This year we raised $290,000 for the children in our care!! With a new venue and new software this proved to be an enjoyable evening for all of our guests. We especially want to thank all of the members of the Auction Committee, our volunteers from Rackspace, Kohl’s, CPS Energy and Texas Capitol Bank, as well as the Boysville staff that helped to make this evening both profitable as well as a good ole time.

Keep an eye on our facebook page for information regarding the 2013 Auction. 2013 will mark the 70th Anniversary of Boysville and we plan to celebrate in style. We have started selling tables for this event; you will not want to miss out on another exciting, fun-filled evening and the opportunity to support the children of Boysville. Please emailcshedrock@boysvilletexas.org to reserve your table!

As the holiday season approaches, we would like to provide our children and campus with a warm, loving season. Giving a gift or providing our cottages with basic essentials can make the world of difference to our children. Help provide a warm and memorable holiday season for children who would otherwise be forgotten. Some popular wish list items include:

### ALL CHILDREN
- Board Games (Monopoly, Sorry, Connect Four, Lego Games, Creationary, Apples to Apples, Scrabble, etc)
- Pajamas
- Pillow Pets
- New Release
- Children’s movies
- Gift Cards (Walmart, Target, Foot Locker, Game Stop, etc.)
- Regal Movie passes
- Winter Clothes
- Light jackets, gloves, scarves
- Room decorations (standard twin size comforters, posters, etc.)
- Music CDs (Michael Jackson, Beyonce, Taylor Swift, Carrie Underwood, etc.)
- Wii or Nintendo DS video games (No “M” rating, please)
- Sports Equipment (basketballs, footballs, soccer balls, etc)
- Arts & Craft kits
- Popular Books
- Batteries (AA, AAA)

### INFANTS AND TODDLERS
- Baby Einstein Movies
- Leapster and V-tech games
- Developmental and educational toys
- Play sets (ex: kitchen set w/dishes and food, tool bench w/tools, etc)
- Books for toddlers

### GIRLS
- Barbie dolls and accessories
- “Dress up” princess clothes for girls
- “Baby Alive” dolls
- Lalaloopsy dolls
- Monster High dolls

### BOYS
- Remote control cars and trucks
- Hot Wheel Cars and accessories
- K’Nex and Lego sets
- Spiderman, Transformers, Power Rangers and other action figures
- Tech decks (mini skateboards)
- Slides

### TEENAGE GIFTS
- Bath and Body Works gift set
- MP3 players
- Basketball shorts (all sizes)
- Sports Caps
- The Hunger Games (book series)

### COLOGNE (for male and female)
- Make-Up and Manicure Kits
- Axe gift sets for men
- Jewelry sets from Claire’s, Forever 21, Agaci or Icing
- Converse shoes (male/ female any size or color)
- Ankle/calf boots for females
- Accessories (purses, scarves, belts, etc.)
- Gift Cards (iTunes, Claire’s, Payless, Agaci, Lids, etc.)
- Regal Movie Theater Movie Passes or gift card
- Hair Straighteners or Curling Irons
- Blow dryers
- Desk Lamps

### COTTAGE AND INDEPENDENT LIVING NEEDS
- Tupperware (or similar) w/lids
- Baking pans
- Casserole Dishes
- Pots and pans
- Mixing bowls
- Plate sets (for 16 ppl)
- Silverware (for 16 ppl)
- Glasses (set for 16 ppl)
- Appliances (4-slice Toaster, blender, electric skillet, electric can opener, waffle maker, etc)
- Kitchen towels, pot holders
- Bath towels, hand towels, wash clothes
- Shower Curtains
- Bath Rugs
- Comforter Sets (twin standard size)
- Twin size sheets
- Picture Frames
- Wall décor (picture frames, decorative frames, etc)

ALLEN MOEHIG
Mrs. Elvira Weidner
a FAMILY becomes ONE

After a long journey, Boysville was excited to have two of our children adopted into a forever home by our Community Based Foster Parents, Bruce and Carolyn Leingang.

Referred to Boysville in 2011 by Child Protective Services, Mr. and Mrs. Leingang have provided a loving, stable and nurturing to their niece and nephew, Shawnee and Christopher, and just last month the court finalized the adoption. We are excited for our new family and wish them a lifetime of happiness.
